

Charlotte, NC

Urbana Cityspa & Teabar brings a unique concept to the Charlotte spa scene with what owner Nancy Goodwin has found to be the only spa and tea lounge in the country. The teabar offers a wide variety of high-end teas and will be the first to bring Moby's Teany teas to N.C.. Urbana gives back while you relax by donating a portion of their profits to CARE U.S.A and the ONE Campaign. Opening in March at Carmel Village. www.escape2urbana.com.
